

Upon arrival to your shift and before entering the client's residence, **S.T.O.P.** and do the following:

Symptoms?

- Do you have any of the following symptoms:
 - cough,
 - fever (temperature over 100.4),
 - shortness of breath,
 - runny nose,
 - sore throat,
 - gastrointestinal issues (vomiting, nausea and diarrhea)?

How are you feeling overall? If you are not presenting any symptoms, but do not feel well or have achiness or other symptoms, notify Nina at 415-305-8499 or Sage On-Call 650-490-3990 for further instruction.

Temperature?

Take your temperature before going inside the client's home

- If a scanner thermometer is available, it should be kept as close to the client's front door as reasonably possible.
- If a scanner thermometer is not available, bring your own personal thermometer to take your temperature.
- Notify Sage PCA Manager if you do not have a thermometer and there is not an available scanner thermometer.
- If your temperature is 100.4 or higher, immediately call Nina at 415-305-8499 or Sage On-Call to report your fever and receive further instructions.

Out of Country Travel?

- Have you travelled out of the country in the last 30 days? If yes, did it include any travel to or through:
 - China, Iran, Italy, Europe, South Korea or Japan? (If so, you must inform Sage prior to entering home).

Proceed with your shift **only if you have answered NO** to all of the questions above.
