**Wellness Coaching: Beyond Medicare**

*Emily McGuire, Certified Health Coach, Certified Dementia Specialist, MHA, OTR/L*

In 2020, a burdened healthcare system was further challenged by a worldwide pandemic. The U.S. healthcare delivery system transformed, and people who traditionally received healthcare benefits from Medicare now found themselves sicker and receiving less care. Wellness coaching is a holistic approach to bridge the gap in healthcare by cultivating compassionate caring for people with chronic conditions to optimize each of a client's functional abilities and reduce their risk of decline and hospitalization.
