AGING LIFE CARE ASSOCIATION® MIDWEST CHAPTER

Aging Life Care™ & Community Connections Summit

Welcome

Welcome to the inaugural Aging Life Care™ & Community Connections Summit.

The Aging Life Care Association® Midwest Chapter is proud to bring together professionals from across the Midwest for a day of learning, collaboration, and connection. This innovative hybrid conference allows attendees to participate virtually or gather in person at host locations throughout the region.

This unique hybrid conference experience features recognized experts addressing topics that impact older adults, families, caregivers, and the professionals who serve them. Through engaging presentations and interdisciplinary perspectives, participants will explore brain health, dementia care, special needs planning, grief and loss, inclusive care practices, and personal resilience.

Whether you are an Aging Life Care Professional®, nurse, social worker, therapist, fiduciary, elder law attorney, financial advisor, healthcare administrator, or senior living professional, we hope you leave inspired, informed, and connected.

Thank you to our speakers, sponsors, volunteers, host site partners, and attendees for helping make this event possible.
